

ACGME Review Committee Schedules

Addiction Medicine accreditation applications may be submitted to the Review Committees for Family Medicine, Internal Medicine, or Psychiatry. Review Committees generally meet more than once a year to consider applications, and each RC has its own deadlines.

Accreditation is effective on either: a) the date on which the accreditation decision is issued, or b) the start of the academic year in which the accreditation is issued.

2018-19 Academic Year (July 1, 2018 — June 30, 2019)

Review Committee	Deadline	Meeting Date
Family Medicine	February 22, 2019	April 25-26, 2019
Internal Medicine	January 25, 2019	April 4-6, 2019
Psychiatry	February 1, 2019	April 26-27, 2019

2019-20 Academic Year (July 1, 2019 — June 30, 2020)

NOTE: Additional meeting are still to be announced

Review Committee	Deadline	Meeting Date
Family Medicine	August 16, 2019	October 17-18, 2019
Internal Medicine	July 19, 2019	September 26-28, 2019
Psychiatry	tba
