ANNUAL REPORT

ACAAM.ORG

“

The year 2021 was one of significant transition for ACAAM, but that didn't stop the organization and its leaders from making progress in several strategic areas. In the coming pages, we hope you will review some of the organization's efforts compiled By the Numbers. While not all accomplishments are quantifiable using numbers, we are proud to share these with you. We greatly appreciate the support from so many in 2021 and look forward to moving forward in 2022.

Thank you!

Martha J. Wunsch, MD

ABOUT ACAAM

The American College of Academic Addiction Medicine (ACAAM) is dedicated to training and supporting the next generation of academic addiction medicine leaders needed to meet the ubiquitous health challenges from substance use. Central to this mission is committed action to improve diversity, equity, and inclusion of the academic addiction medicine workforce. Today, ACAAM is the proud academic home for addiction medicine faculty and trainees.
