Addiction Medicine Fellowships
Recruiting for 2020

This listing includes only fellowships that have reported they are still taking applications for positions starting this year (2020).

Most fellowships will be recruiting for positions starting in 2021 (the 2021-22 academic year). Please see the Addiction Medicine Fellowship Directory for the full list of programs (https://www.acaam.org/accreditedfellowships/).

NOTE: Many Addiction Medicine fellowships will begin using ERAS (the Electronic Residency Application Service) for the 2021-22 application cycle. The list of fellowships using ERAS will be available on the ERAS website in June (https://students-residents.aamc.org/training-residency-fellowship/applying-fellowships-eras/).

Information on all fellowships will continue to be available on the ACAAM website (https://www.acaam.org/).
