

ACAAM Directory of Addiction Medicine Fellowship Programs

Fellowships in this directory are organized by state (and 3 Canadian fellowships).

There are now 78 ACGME-accredited fellowships, and 12-ACAAM accredited.

Listings indicate which programs take applications via [ERAS \(the Electronic Residency Application Service\)](#) and which should be contacted directly (all programs welcome inquiries from potential candidates).

Addiction Medicine does not participate in the NRMP or any matching service – all fellowships follow their own timelines for applications, interviews and decisions.
