

ACAAM Directory of Addiction Medicine Fellowship Programs

Fellowships in this directory are organized by state (and 3 Canadian fellowships). There are now 81 ACGME-accredited fellowships, and 11 ACAAM-accredited.*

Listings indicate which programs take applications via [ERAS \(the Electronic Residency Application Service\)](#) and which should be contacted directly (all fellowships welcome inquiries from potential candidates).

Addiction Medicine does not currently participate in the NRMP or any matching service – all fellowships follow their own timelines for applications, interviews and decisions.

** After 2021, only graduates of ACGME programs will be eligible for the Addiction Medicine certification exam, according to current guidance from the [American Board of Preventive Medicine](#).*

Addiction Medicine Fellowship Programs

Alabama
